Attendance: Thomas Hunt, Valerie Jerrild, Jo-Ann Mondo, Heather Mazzone,  
Jason Heffernan, Tanya Colon

Mr. Hunt welcomed Mrs. Colon as our only parent volunteer/nominee for this council. He apologized for the change of meeting dates primary due to conflicting schedules of membership. He also welcomed Jason Heffernan and Heather Mazzone to the council. Both are teachers that were asked to be part of council on "special assignment" with their expertise to help put together a proposal learning fair in June.

The council discussed a June Learning Fair that would be held in an Open House format. The vision is to invite parents by grade level at scheduled times during the day to visit "classroom in session". Mr. Heffernan and Ms. Mazzone provided ideas for activities with classrooms during the visit. The proposed date will be Thursday, June 11, 2015. Each grade level will be assigned a 40 minute period of "Open House" time for visitors. Bulletin boards and tables displaying student work will be done by teaching staff and students.

Next Meeting is Monday, June 1, 2015.
