Minutes

Attendance: Thomas Hunt, Valerie Jerrild, Jo-Ann Mondo

Mr. Hunt welcomed the new teacher representative to the Forest School Governance Council.

He explained that the results of election nominations turned out no nominees or volunteers. Mr. Hunt approached a few parents hoping to spark an interest in joining; however those approached were not interested. Mr. Hunt asked the new teacher representative to reach out to any of their parents they thought would be interested in serving. He also explained he would try one more flyer to parents to satisfy the election process on February 20, 2015. If no one is interested he will table the council until the next school year.

Next meeting is April 1, 2015.
